
ABOUT ENGLERT®

Founded in 1966, Englert pioneered the design and installation of seamless gutters and was one of the first companies to provide seamless gutters to homeowners through contractors, using portable gutter machines.

Today, Englert has created thousands of business opportunities for entrepreneurs with our seamless gutter machines and accessories, and is a trusted business partner in both North America and Europe. Authorized Englert dealers have provided gutter installations to hundreds of thousands of satisfied homeowners!

Englert designs and produces a full array of innovative guttering and metal roofing accessories and specialty rainware products. All Englert coil and accessories are custom manufactured in our state-of-the-art facility in Perth Amboy, NJ.

THERE'S SOMETHING NEW
IN THE GUTTER BUSINESS

A NEW OPPORTUNITY FROM ENGLERT®

Englert, the creator of the industry's most innovative metal roofing and rainware products, including LeafGuard® and MicroGuard™, is proud to introduce our latest breakthrough: The RainPro® Design Series Gutter System.

This revolutionary new gutter is unlike anything else available on the market today. This is a ground-floor opportunity to be among the select group of authorized dealers to sell this totally unique — and highly profitable — new product from Englert.

A New Kind of Gutter

The key to RainPro's uniqueness is that it is a large capacity gutter system that doesn't look large. RainPro achieves high-volume water flow without a bulky gutter. Our architectural styling was designed to complement and protect today's homes. RainPro is the gutter system that gives homes added beauty, and homeowners, real peace of mind.

A New Kind of Opportunity

RainPro gutters are sold through a carefully chosen network of authorized dealers throughout the country and are not sold in retail stores.

The RainPro Difference

- Looks like a 5" gutter but performs like a 6"
- Has a larger-than-standard gutter bottom and downspout
- Is made from 18.5% heavier metal than standard gutters, and erected with heavy-duty hangers
- Comes with our patented ScratchGuard™ Paint Finish, and is backed by a limited lifetime warranty
- Is available in a wide range of designer colors
- Carries the *Good Housekeeping*® Seal — one of the most recognized and trusted icons in America
- Can be fitted with Englert's patented MicroGuard™ for additional leaf protection

The Englert Difference

- An Established and Well-Respected Industry Leader
- A Reliable Business Partner
- Forty Years of Quality Manufacturing
- A Comprehensive Program including Professional Marketing Plan, Proven Sales Tools and Full Business Support

Why Become An Authorized RainPro Dealer?

- A Ground-Floor Opportunity
- A Totally Unique Product to Sell
- Unlimited Profit Potential
