

REYNOLDS METALS COMPANY D.B.A. ALCOA ARCHITECTURAL PRODUCTS

A wholly owned subsidiary of Alcoa

REYNOBOND® ALUMINUM COMPOSITE MATERIAL, PROFILED PRODUCTS, FLAT SHEET AND COIL PRODUCTS

Standard ACM Bond Warranty

This warranty ("Warranty") is extended by Alcoa Architectural Products ("AAP") to [redacted], a Corporation, Partnership or Sole Proprietorship with offices at [redacted] (the "Owner"), and applies to the [redacted] project located at [redacted]

(collectively, the "Property"). Subject to the terms and conditions set forth in this Warranty, AAP warrants that the REYNOBOND® Aluminum Composite Panels furnished by AAP for installation on the Property (the "Products") will not exhibit any visually observable deformation as a result of delamination of the aluminum skin from the core material due to manufacturing defects.

1. The warranty period shall commence six (6) months from Alcoa's initial shipment of the product, or upon substantial completion of the job, whichever occurs first. This Warranty will remain in effect for a period of five (5) years. In the event any part or portion of the Products fail to conform to this Warranty, AAP will repair or replace, at its sole option, the defective part or portion of the Products without charge to the Owner.
2. THE REMEDIES SET FORTH IN THIS WARRANTY SHALL CONSTITUTE THE OWNER'S EXCLUSIVE REMEDIES AND AAP'S SOLE LIABILITIES FOR BREACH OF THE WARRANTY SET FORTH ABOVE. AAP SHALL NOT BE LIABLE OR RESPONSIBLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH THE PRODUCTS. OTHER THAN AAP' STANDARD COATING WARRANTY, IF ANY, FOR THE PRODUCTS, AAP MAKES NO OTHER WARRANTIES AS TO THE PRODUCTS, WRITTEN OR ORAL, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. NO MODIFICATION OR CHANGE TO THIS WARRANTY SHALL BE EFFECTIVE UNLESS IT IS MADE IN A WRITTEN DOCUMENT SIGNED BY AN OFFICER OF AAP.
3. The Warranty period for any repaired or replaced Products shall be for the remaining unexpired portion of the original Warranty period for the Products.

WARRANTY

4. Since a color variance may occur between replacement Products in comparison with the originally installed Products due to normal weathering and aging of the originally installed Products, this will not be indicative of a defect in either the replacement Products or the originally installed Products.
5. AAP reserves the right to discontinue or modify its line of REYNOBOND composite products. In the unlikely event the original Products are no longer available, AAP will substitute products of comparable quality. AAP also reserves the right to discontinue particular colors. In the unlikely event any of the original colors are no longer available, AAP will substitute one of its currently available colors.
6. This Warranty covers only the particular defects described above and only if they arise during normal use and service. It does not cover any delamination attributable to causes or occurrences beyond AAP' control, including, but not limited to, improper fabrication or installation of the Products, exposure to corrosive atmospheres (such as those contaminated with acid rain, harmful chemicals or vapors), unreasonable use, misuse, physical abuse, accidental damage, vandalism, use of incompatible accessories, fire, flood, earthquake, lightning, ice, windstorms, other acts of God, wind borne objects, building settlement, or structural failures (including walls and foundations) or the use of harmful cleaning compounds. It does not cover the normal weathering of any exposed core material due to UV exposure.
7. This Warranty is non-transferable and runs only to the Owner.
